Overview

Anthony J. Arnone is a Partner in the Real Estate practice group. He practices real estate, redevelopment, land use, and banking law and his experience includes representing both public and private sector clients. He has counseled clients in the closing of commercial real estate purchases and sales and represented lenders with corporate finance and other creditors' rights matters. He has experience negotiating with private sector clients and public sector officials and closing the sale of both developed and undeveloped properties. Some recent matters included the representation of the New Jersey Turnpike Authority in the acquisition of property for a major road widening project, the acquisition of over 100 acres of open space in Princeton, and the representation of a national developer for proposed commercial office space in Hoboken. Anthony also has served as prosecutor for local municipalities and other public entities. In addition, he represents the largest Federally Qualified Health Center in New Jersey and has served as counsel to Town of Guttenberg Rent Control Board and the Guttenberg Housing Authority.
